## TESTIMONIALS:

### Derangement of the Liver.

RICHMOND, VA., July, 1888.  
This is to certify that I have known of the superior qualities of JOHNSTON'S VEGETABLE "NOLANDINE" for the past ten years, and during that time, at intervals, have had occasion to use it in person and in my family, and have always found it a sure cure for derangements of the liver and kidneys, indigestion, headache, &c., and a good tonic.

L. C. DAVIS,  
804 north Fifth street.

### Kidney Affections.

ROBINSON'S STATION,  
CHESTERFIELD COUNTY, VA.,  
March 25, 1888.

Mr. J. W. Johnston:  
Dear Sir—Having suffered for years with a chronic affection of the kidneys, derangement of the liver, and my general system charged with malarial poisons I found no relief from treatment of medicine until I used Vegetable "Nolandine." I am now free from above complaints, and to "Nolandine" I am indebted for this restoration to health. I honestly recommend it to all persons suffering from above diseases.

WILLIAM DICKINSON,  
Superintendent of Coal Mines.

### Bilious Derangement.

RICHMOND, VA., May 1888.  
I can cheerfully recommend JOHNSTON'S VEGETABLE "NOLANDINE" to any one suffering from Liver or Kidney complaints and bilious derangement of the system. Its prompt and permanent action in my case affords me pleasure to recommend it to others similarly affected.

Dear good kind lady:

### Malaria.

OFFICE CHESAPEAKE AND OHIO  
RAILWAY COMPANY,  
RICHMOND, VA., March 1, 1888.

I lived on lower James river for eight years in the malarial district. My system was thoroughly charged with this deadly poison. I exhausted the usually prescribed and domestic remedies without any benefit. I was induced to try JOHNSTON'S VEGETABLE "NOLANDINE." Before using two bottles my liver was aroused from its long torpor, and am now enjoying the best of health. My wife and children derived the same benefits from "Nolandine."

J. A. WYATT.

### Chills and Fever.

FLEET, KING AND QUEEN CO., VA.,  
January 31, 1887.

I was afflicted with chills and fever during the fall of last year. I could stop them with quinine, but they wouldn't stay stopped. They would return the 7th, 14th, 21st, or 28th days. A friend gave me part of a bottle of "Nolandine." I used it according to directions, and haven't had a chill since. Am in good health and weigh as much or more than I ever did.

E. S. WILSON.

### Blood Poisoning.

RICHMOND, VA., July 13, 1887.

J. W. Johnston, Proprietor "Nolandine."

Dear Sir—I have taken your "Nolandine" for habitual constipation of eight years' standing, during which time I have tried many preparations, but I did not receive any relief until I used your preparation, for which I have received immediate and permanent benefits. I was also suffering with malarial and blood poisoning. I am now free from all such complications, and am happy to say, enjoying exceptionally good health.

Yours truly,  
J. B. DOWDEN,  
Proprietor of Dowden's Dental Fluid.

### Dyspepsia and Catarrh.

409 N. CLAY STREET,  
RICHMOND, VA., April 19, 1888.

J. W. Johnston, Proprietor "Nolandine." During the past twelve months I have had frequent opportunities of testing the curative properties of your Vegetable "Nolandine" in the following diseases, and in not a single case did it fail to accomplish all that you claim for it: Dyspepsia and other Catarrhal affections of the stomach and bowels, catarrhal affections of the kidneys and bladder, malarial complications and habitual constipation, and as a general tonic and alterative I have found it very efficacious.

Yours truly,  
J. H. GARLICK, M. D.

### Blood Purifier.

RICHMOND, VA., October 1, 1888.

To whom it may concern:

For twelve months I was a fearful sufferer from chronic eczema, during which time I was in the hands of a most skillful physician, faithfully using his remedies, internal and external, without deriving any benefit whatever. I suffered night and day with the most intolerable itching, continued headache, loss of sleep, appetite and strength. My kidneys and nervous system were fearfully deranged, and my body was covered with numerous sores. By taking the Vegetable "Nolandine" I have been restored to perfect health. I regard "Nolandine" as the best blood purifier, and the most powerful tonic ever compounded, and I am not alone in this belief. Very respectfully yours,

H. B. GRUBBS.

### Consumptive Diarrhoea.

I feel it my duty to make the fact known, for the benefit of those who may be suffering as I have done, that the late Dr. Charles Bell Gibson, and other physicians in his office, pronounced my disease consumptive diarrhoea, and after three (3) years of treatment, during which time I derived no benefit whatever, they said my complaint was incurable. I was reduced to a mere shadow by loss of appetite, cough, diarrhoea, night sweats, and sleeplessness. I had not strength to go up and down stairs without assistance.

JOHN W. CARDWELL.

### Delicate Females.

412 EAST BROAD ST., RICHMOND, VA.  
J. W. Johnston:

I feel it but just to recommend your valuable medicine, "Nolandine," for any trouble caused by torpid liver, or constipation, or any of the ailments of any drug used to subdue pain. As a tonic for females it is unsurpassed. The above you are heartily welcome to use in any way you deem best, and I will personally tell any one what it will do, on application. Respectfully,  
MRS. A. E. ANTHONY.

### Liver Complaint.

OFFICE OF J. W. CALDWELL,  
RICHMOND, VA.

Dear Sir—For the benefit of persons suffering from Chronic Liver Complaint, I beg leave to call their attention to your vegetable preparation, "Nolandine." I regard it as a "cholagogue," combining also tonic and renovating properties, and in this respect it differs from any medicine I have ever taken.

The effects of your "Nolandine" in my case, has been on the liver and secretions identical with calomel; at the same time, entirely free from nauseating and debilitating consequences following the use of that mineral.

I very cheerfully recommend your "Nolandine" for the diseases enumerated on your circulars, and am convinced from personal benefit derived from its use, that it must become a standard family medicine.

I am not alone in the very high estimate I place on "Nolandine," and trust it will be universally known and be, as it should be, the means of taking the class of diseases in which it has proved so successful and already gained such a reputation. Hoping that "Nolandine" may reach all persons suffering from bilious derangement and prostration from chronic diseases, I am very respectfully yours,

JOHN W. CARDWELL.

### A Family Medicine.

Having suffered for several years with liver complaint, indigestion and an obstinate form of cutaneous disease, after unsuccessfully using other remedies, I was advised by several physicians to try your celebrated preparation, "Nolandine."

Since thoroughly testing it, I can confidently recommend it as the best alterative blood purifier and liver invigorator I have ever used; and it can also be taken with much efficacy by delicate females. I consider it a valuable family medicine, possessing the advantages of "Mercury" without its injurious effects, and with pleasure offer my unsolicited testimony in favor of "Nolandine."

Very respectfully,  
MRS. G. W. FRANCISCO,  
Richmond, Va.

### Torpid Liver.

A VALUABLE MEDICINE.—Under this head the Petersburg Daily Index has the following:

"We have received from Rev. Mr. Kelley the following testimonial in regard to the virtue of 'Nolandine,' which we cheerfully publish for the benefit of those who may be in need of such a medicine."  
"Nolandine"—Some time ago there was a notice of the above mentioned in the local columns of the Index, which attracted my attention. After a conference with one of the proprietors, I procured a bottle of "Nolandine," and received so much benefit from its use that I tried a second one, and am now using the third. Having suffered indescribable tortures for more than forty years from a torpid liver, "Nolandine" has afforded me more relief than anything I have ever taken. A desire to benefit my fellow-creatures is my sole motive for publishing this statement.

JOHN D. KIMLEY.

### Dyspepsia.

I have for the last twelve years been afflicted with that terrible disease, dyspepsia, all the remedies, and I have taken many, only gave partial relief.

JOHN W. CARDWELL.

### Liver Invigorator.

Dear Sir—I very cheerfully

testify to the unequalled efficacy of "Nolandine" in curing liver complaint, dyspepsia, and other ailments of the liver and digestive system. For many years I have suffered from my own case it has proven a most efficient remedy, and yet been the injurious effects so often the use of other medicines.

F. H. ALFORD.

### Varicose Veins.

To the Nolandine Company:

Permit me to add my testimony to the curative properties of "Nolandine" in curing varicose veins. Twelve months ago I suffered from one of the veins of my leg, which could not be removed by any other means, then I used "Nolandine," and in a few days the vein disappeared, and I am now free from all such ailments.

As a renegade, I can testify to the efficacy of your "Vegetable" in curing places where the blood purifier and general "Nolandine" has no equal.
